# Dr. Makumakuran And Other Stories (Gay Manga)

## Synopsis

Takeshi Matsu has been widely published in gay Japanese magazines and books. This manga features the science fiction-themed cover story, Dr. Makumakuran and four other stories that are as playful as they are sexy! "In Takeshi Matsu's manga, we see the kind of men we know (or at least wish we did) having fun, playful sex. This lovemaking has emotional depth without baggage. The carefree erotic fantasies of these charming characters aren't just thoroughly entertaining - they belong in the mainstream gay erotic canon." Gengoroh Tagame

## Customer Reviews

I've been a fan of Takeshi Matsu for years so I've been eagerly waiting for his second English release even before I knew if it would even happen haha. Thankfully it did happen and just like the last (More and More of You) it doesn't disappoint. The stories included are: The Dangerous Games of Dr. Makumakuran 1 & 2, Yashio and Shibayama, Big Man, Tiny Boss and Wolf Mask. All art is wonderfully uncensored and like previous releases the cover/back page flaps come with full color artwork of each story. Plus at the end an afterword by Matsu summarizing all the stories, the ideas behind them and thanking the fans who bought the books is present. I won't spoil any of the stories but none feel run of the mill or boring, its all one intriguing fun story after the next in classic Matsu style. As for errors so far I've only seen one spelling mistake that I had to glare at in order to catch. Luckily I've seen none of the cut off text seen Mentaiko's Priapus also released by Bruno Gmunder which could just be a lucky coincidence due to text bubble placement. So good job on this go

round. All in all this book is a very standard yet still satisfying (I mean that literally) release (that too).

For my first time reading a Takeshi Matsu manga this was far out from just amazing. The art its self was striking and the story line was excellent.

This is well worth the buy. It was definitely a fun and hot read. I will be looking for more from this author.

So glad to see more of his work in English!
