Arguably the most consistently funny panel since "The Far Side." A great collection. Viva en la bleachers!

Not as good as I remembered, I bought one of his books in high school and loved it. Even though I think he rips off Gary Larson a ton, my friends and I thought it was funnier than Far Side. This book was not that funny.

I got this as a Christmas present for my Dad who loves the funny papers. He is dying so what better gift than laughter? Anyhow, I am not a sports fan but the book had me laughing out loud as well. It is worth every penny! Thank you so much Steve Moore.
