Customer Reviews

This is an incomplete dramatization of the Foundation series of books. Approx, 1/2 of the the 2 CD collection is some very odd music. If you are looking for an audio-dramatization this really is a waste of money.

This presentation of Foundation is better than all the rest. Other performers merely read the books out loud, but Jim Gallant and company BRING THE FOUNDATION AND IT'S CHARACTERS TO LIFE! The trippy music is a wicked bonus. This CD set is an unabridged performance of the first part of the book. The next set of CDs is called Mayors and the Traders. I believe the Ziggurat audio performance for all three books are available, but not easy to find. Somebody should fix that problem. Thank you Jim Gallant and Ziggurat Productions for making a great series even more enjoyable.

It was not really what I expected I was very disappointed

Totally dissatisfied. Overcharged and it was not at all what I expected.
