Customer Reviews

I asked the Lord, how to get back to my first love, Jesus. And this book showed me it is by worship and submitting to His authority. This book has been such a blessing and I so enjoyed the music of

Jerry and Bella. I would love to have such a voice to bring praises to the Lord.

"I found it to be a very passionate and urgent call to praise and worship, delivered in a very personal, almost excitable style! No middle ground--all or nothing!"

Love what I'm reading I didn't get the free audio bonus as promise.(^,,) I like to say that there was a total misunderstanding on my part.I thought there was an automatic download but it's not. You have to go to the back of the book fill out form. You'll find this out through reading the sample which I did not finish looking at the sample. I just knew I wanted this book. So I did get my BONUS as promised I listened to it. Let me say you have to get this book I can't express how much this has taught me to truly worship God that's pleasing to Him. I call this book one of my gold books because it a book to me that has such value.I want to say thank you to the author Jerry Kuzma for helping me.
