When life seems hopeless with no place to turn for encouragement, Stormie encourages you how the power of praising and talking to God in prayer can give you the power you need to lift you out of some of life's most difficult pits. She reminds you that GOD ALMIGHTY is ALWAYS there ready to listen and act upon His Word. She teaches you through examples of how to talk to the Heavenly Father and make Him your Father in time of trouble. Often times we say, "I can't talk to God because I don't know how to pray." After reading this book, you will be set free from the LIE that keeps you trapped in your pit stating, "you can't receive FREEDOM or BLESSINGS from the HEAVENLY FATHER because you don't know how to pray." There is great power to overcome in

prayer and praising God by quoting HIS WORD. The Prayer That Changes Everything®:
The Hidden Power of Praising God (Omartian, Stormie)

I had just had my anti-depression medications rebalanced and was lying in bed thinking how hopeless everything was. I had bought this book because my prayer group was going to study it together. I couldn't pray but happened to pick up the book to take a look~ just reading the book jacket starting me thinking that I could pray with praise. I had started feeling that I couldn't pray anymore. I felt a tiny glimmer of hope. Now that my meds have taken effect and we are studying this book together and praising the Lord, every day gets better and better.

I ride a metro train every day. This book allows me some quiet time during the morning and I really enjoy reading and re-reading these prayers.

When you don't know exactly what to say it's useful to be reminded to be grateful - which is essentially what this book does. By citing from the Bible it helps us be thankful to God and in a "silent prayer" mode. And maybe after reading the prayer our own ideas are more likely to surface too. I like it.

Seeking an understanding of how to pray and what to pray about, this book has been inspirational. It has prayers giving praise, offering thanks, seeking forgiveness and many more. I can say that it has helped me greatly.

YES YES YES This is a great prayer book along with all the books written by this author. The Holy Spirit goes all the credit as anyone would want to be. Go ahead and be a vessel to write great books like this one, we all have the opportunity to do God's best and share the wonderful news of Jesus Christ and God's gift of his Holy Spirit to make it all in His name.

Once again Stormie Omartian has written a wonderfully inspirational book about prayer. I have given copies to a couple friends who are going through rough times and they have found it to be very uplifting. I haven't read a book of her's that I haven't loved. Very reasonably priced.

By Stormie Omartian (Harvest House Publishers, 2004) Praying can be a complicated, confusing, and a highly effort-provoking endeavor for some people. Closing one's eyes and speaking quietly to

their Maker can be a humbling and uncomfortable thought, but this book opens the doors to the insecurities and uncertainties that some people deal with when they pray. Beautiful prayers, insightful nuggets, Bible verses, relevant stories, quotes, and thought-starting inquiries whirl together to inform and inspire you to wholeheartedly communicate with your Lord. The prayers written in this book are excellent starters to your own conversations with God. "My definition of prayer is simply communicating with God. It's a love relationship first and foremost. Prayer is baring your soul to the One who loved you before you even knew of Him and letting Him speak to your heart," (Omartian, 2004, p.9). Brushing past the thorns and into the rose petals, this book will assist you at seeing prayer for the life-changing, transformational, and powerful properties that it truly is. This book is a great addition to your personal library and would also make a thoughtful present. Disclosure of Material Connection: I received this book free from the publisher through the Harvest House Publishers book review bloggers program. I was not required to write a positive review.
