Customer Reviews

I bought this for my son at a local book store. He is a beginner reader in the since that he has just started ready short chapter books on his own, so I bought this for him and I must say he enjoyed the story and it was fairly simple for him to read!! I would def recommend this book to your young readers.

Cork and Fuzz are such a cute couple. The two of them work as a team and in the end get the best results. Simple life and time that I wish all of us could live by!

wonderful book

My 1st grader loves Cork and Fuzz books. The characters are cute and funny, Cork and Fuzz have a lot of differences, but always find something in common and still can be best friends. Pictures are beautiful and realistic.
