Fields Of Gold (Sting) Arranged For Harp

Synopsis

(Harp). Sting first recorded the beautiful song "Fields of Gold" in 1993 on his album Ten Summoner's Tales . It became very popular, and has been recorded by many other artists. This song is still often requested for weddings today. This sheet music includes two arrangements by Sylvia Woods that are playable on either lever or pedal harp. Each arrangement is 4 pages long, and includes fingerings and chord symbols. Both versions are in the key of C and there are no lever or pedal changes required. The harp range needed for the intermediate arrangement is 22 strings, or 3 octaves from C to C. The easier advanced beginner arrangement needs 19 strings from F up to C. If you have a small harp, you may need to play the music an octave higher than written. BOTH arrangements are included in this sheet music.
