Customer Reviews

I use this infrequently as I usually know where I am. But on those occasions when the season changes or a special feast day pops up I am happy to have the guide to refer to. It is used to find out what pages you should read out of the Divine Office each day. The abbreviations can be confusing if you don't know what they refer to.

I bought this for my husband when I bought 4 volume set of the Liturgy of the Hours because I notice it listed as item often purchased together. This same booklet came with the 4 volume set so it was not necessary to purchase it.

This is the 2016 Guide for the 4-Volume Set of the Liturgy of the Hours. This allows you to stay in sync with the whole of the church, as we pray continually, while living lives in this world. This is not a prayer book, or a missal, or a hymnal. It is the annual guide for the 4-volume set, and you will need to reorder this each year.

i hope this comes in electronic/kindle version for those who are outside the USA. we also would like to pray the Liturgy of the Hours. thanks.

The guide is okay, but a guide was included with the liturgy book set , so unnecessary to buy separately.

I order this year after year would not be without it.

Comprehensive. Keeps this exercise uncomplicated

Excellent! All arrived in perfect shape and we're just beautiful! So happy to know I could order it through and get the quality I was looking for.
