Customer Reviews

Always great to remember the days of Elway, but it's short and lacks detail. Not for a hardcore sports fan

This was a great book but I'm surprised Matt Christopher didn't put super bowl 33 in it where John Elway was MVP

I found this book to be very informative and inspiring. John Elway is one of the greatest quarterbacks of all time. This book only does him justice. I feel like I know him in a better sense after reading this book. END
