Customer Reviews

It is hard to find bilingual books here in the United States, especially the Turkish English ones, so I was happy to have found these on . I was not so happy with the pictures in the books and also there were some misspellings in one of the books I purchased on here. I'm not sure if I'd buy other books.

We're using these books to help my kids learn their mother's native tongue. Most of them are great, but the music one is a waste of money. There are 2 or 3 instruments that have a Turkish word that is different from English. Save your money for other books in the series.

I sent this bilingual book as a gift to my friend's daughter, and she told me that she liked it very

much.

Simple, fun and effective. I will keep buying as new books come out. Keep it coming. Great work.

Book only in English!
