Easy Songs For Ukulele: Hal Leonard Ukulele Method

Synopsis

(Fretted). Play along with your favorite tunes from the Beatles, Elvis, Johnny Cash, Woody Guthrie, Simon & Garfunkel, and more! The songs are presented in the order of difficulty, beginning with simple rhythms and melodies and ending with chords and notes up the neck. You can also strum and sing along using the provided lyrics and ukulele chord diagrams. Songs include: I Walk the Line * Ob-La-Di, Ob-La-Da * Tom Dooley * We Shall Overcome * Your Cheatin' Heart * and more.

Customer Reviews

I like this book. It's a good compliment to the excellent Hal Leonard Ukulele Method books and I liked the songs choices. I got exactly what I ordered with this book.

This book is definitely for a beginner. You can actually get most of this type material for free on the Internet if you will just do a little searching. But the book does serve its purpose and it is a good purchase if you would rather have a book than trying to find some similar material on the Internet. It also makes a nice gift if someone is receiving a ukulele for the first time.

I use this book every time I pick up my uke. I love the song selection, I wish there were more books like this for ukulele.

I bought this songbook for my beginning Ukulele students. I love the tabulature in addition to the notes. It's a perfect way to learn the fingerings while learning to read the music, words, & chords. The songs are all familiar. I think it is a good supplement to any instruction books.

The Bad: I am a music instructor and try and avoid using TAB with beginners. I try and get them to use the black dots...so, as this book contains TAB I would only use it with experienced students or adults who want to work on melody. Thus, the 3 star rating because I can't use it for everybody I teach. The Good: The songs are cool! It is a good supplement to the Ukulele Book 1 so if you are purchasing that book, this is a good add on to your purchase. If you are a TAB reader, it is fine.

This product it is really helpful, for a beginner UKU player, i really recommend it. I start using it, and is easy, since i got it, i play and play my UKU

My daughter is using this book to learn how to play and is progressing well. It's simple, but good for newbies.

If you want to learn Ukulele this is the must have easy to follow along with. GET THIS BOOK If you are serious about learning.
