This book is amazing! The testimonies on how praying Psalm 91 has impacted lives are modern day miracles. This is a must read for those who have loved ones in the military. A naval sailor and his Mom had a pact to pray Psalm 91 at the same time every day. Well, his sub was under attack at the time he was supposed to start praying. A torpedo was headed straight at the sub. He started to pray Psalm 91 as was his Mom wherever she was and the torpedo veered off at the last moment unexplainably. Psalm 91 has been prayed to protect families from natural disasters like tornadoes, protect children from criminal assaults, etc. This book is a beautiful reminder of how much God loves us and cares for us.

I came across this book last August and was drawn to it. Once I purchased I couldn't put it down. I've since bought several copies for friends and family and their reaction has been the same. Whether you are a soldier or Marine going into combat, a cop or a fireman or just a family person concerned about your protection and that of your family, you'll want to read this book. Peggy Joyce

Ruth has assembled many inspirational stories of veterans and several policemen and firemen and explained how their use of this Psalm has kept them from harm when they went 'in harm's way'. Some of the stories from the Iraq veterans are absolutely miraculous. Do yourself and your family a favor; get this book, read and start praying your own Psalm 91 covenant everyday. You'll be glad you did.

I would like to extend a heartfelt "Thank you" to Peggy Joyce Ruth and her publisher for sending me a copy of "Psalm 91" to review for them. I am truly grateful for this generosity. I really appreciate the time, effort and expense it takes to make a reviewer copy available to me. "Psalm 91" by Peggy Joyce Ruth contains "Real-Life Stories of God's Shield of Protection and What This Psalm Means For You and Those You Love..." This amazing book has several valuable features. The beginning of the book breaks down the psalm in such a way that enables the reader to understand the passage, itself. This section is followed by a series of testimonies of God's protection being lived out in real-life circumstances. The end of the book contains the psalm itself, written as a prayer, with blanks inserted where the name of a loved one would go. This wonderful work of non-fiction is more than a Bible study. It is a source of encouragement that gives examples of how these verses of scripture became alive and active to others so that we can be on the lookout for similar evidences of God's provision and protection for us. This book helped open my eyes to the truth of scripture and motivated me to watch for God's protection activity in my own life. It has also given me a beautiful prayer to say over others. I highly recommend this book.

This is the most wonderful book, "Psalm 91" written by Peggy Joyce Ruth, that I have read in a long time. I have learned so much. I have prayed Psalm 91 over my family for so many years but I learned so much reading this book. I have a new love for God faithfulness because I now know the meaning of each verse, each word so clear now. You are never too young or too old to learn more about our Lord. Thank you God for giving Peggy Joyce Ruth the heart to hear You and write this book.

This is an excellent book to give to any military member you know. We mail them in the initial care package they receive from our church Senior Adult group. We've always gotten positive feedback from sending this book. It helps to remind anyone of God's protective care.

In my opinion, this is a most wonderful, life-changing book! I read it again and again! I would

recommend it to everyone.

This is such an amazing, encouraging book for all military and their families. Our family has two sons in the Army and we have purchased Psalm 91 for our sons and for other family and friends. May we all continue to pray Psalm 91 over our loved ones. God Bless, B. Cooner

This book is very inspiring. It has a little something in it for everyone. I brought the book thinking I would get page after page of angel stories on the battlefield. There is some of that in this book, but there is so much more. The book is really an analysis of the chapter 91 Psalms, verse by verse. This break down of the verse is a mix of theology, application, and incredible stories. The stories come from a mix of wars, from WWI to present day. I learned some interesting things from those stories. The British public believed in WWI that angels saved them at the battle of Mons. There is a story of Jimmy Stewart being saved through WWII. He also happened to read Psalm 91 constantly. I think this book is a must for any soldiers who are facing deployment. They will find great encouragement in it.
