Pogo Vol. 1 & 2 Box Set (Vol. 1&2) (Walt Kelly's Pogo)

Synopsis

Collects the first two volumes of our best-selling, much-demanded, Pogo newspaper strip series. In November of 2011, Fantagraphics released the first volume of its much-anticipated, long-promised series reprinting in its entirety the syndicated run of Walt Kelly's classic newspaper strip, Pogo. Pogo: Through the Wild Blue Wonder immediately became the company's best-selling book of the last five years. A year later, simultaneously with the release of the second volume, Pogo: Bona Fide Balderdash, Fantagraphics will also be offering a gift box set containing the first two volumes, complete with a handsome, collectible slipcase (and for \$10 less than the cost of the two individual volumes). This box-set initiative has been very warmly received by fans, retailers, and grandparents looking for gift ideas on our Peanuts and Mickey Mouse book series, and we fully expect to further cement the runaway success of this new addition to our burgeoning classics line. The first two volumes collect the first four years of Kelly's magnificent strip, including the initial three years of Sundays published in full, restored color for the first time in book form! The books also include all the dailies (of course), meticulously retouched by Kelly's own daughter (who edits the series), historical essays by Pogo historians Steve Thompson and R.C. Harvey and famous-friends-of-Kelly Jimmy Breslin and Stan Freberg, the pre-syndication "Daily Star" iteration of the strip, color guides from Kelly's own hand, and much, much more. 688

Book Information

Series: Walt Kelly's Pogo

Hardcover: 688 pages

Publisher: Fantagraphics; 1 edition (December 14, 2012)

Customer Reviews

Pogo, Volumes 1&2, are beautiful books. As I opened my just-arrived volumes, I was expecting just

a basic hardbound book of comics. What I found was a pair of books full of love. Let me explain. As a child, I spent my summers on the family ranch, miles from anything, where reading material was pretty limited. There were, however, a small collection of Pogo books, so I read them over and over, every summer. I still have those books, though the bindings are rotting, and they are very special to me. I bought these reprints, thinking this would be a nice way to read Pogo without further damaging those old volumes. I really loved those old books, but I never figured that other people put such value on Pogo comics as I did. Why would they? It was rare that I even come across someone who recognizes Pogo quotes, such as "we have met the enemy and he is US!" or Deck us all with Boston Charlie. So, when I opened the first volume of this set, I was unprepared for what I saw. Already the slipcover had impressed me. Beautifully done, with no advertising on it, fully covered with gorgeous color panels from Pogo. But the books themselves... Wonderful binding with embossed Walk Kelly art -- those ever present swamp trees -- opened to reveal typical Pogo endpapers, on luscious heavy paper that easily lays flat without any coaxing from the reader. The print is so crisp and perfect, you'd swear it was the original printing, maybe even better than the original. No crowding; three strips to the page, maximum. The pages are 9" tall by 11" wide, a generous format for horizontal comic strips. Everything about the books suggest that the people who got the artwork together, assembled and published them, truly love Pogo themselves. These are books that are made to please the people who made them.
