Customer Reviews

I'm eleven years old.I read this book and I wrote a great long review of it, but deleted it because I mentioned the name of one of the American heroes in the book. Then I wrote another review but it was much shorter. But it got deleted too.The guy's name starts with a G and rhymes with "day" and you'll like this book, especially the air battles. But don't write a review or will delete it.
