Joey's Baptism: A Guide To Prepare Children For Their Own Baptism

Synopsis

Joey's Baptism leads your child step-by-step through the important elements of baptism. Each chapter gives a straightforward and engaging explanation of the important elements of baptism. They're big concepts presented in simple terms to match your child's level of understanding. Activities at the end of each chapter reinforce the concepts introduced in each chapter. Joey's Baptism is targeted for children in kindergarten through 4th grade. The lessons are written in a style that is simple enough for a five- or six-year-old to understand, yet the concepts are challenging enough to satisfy the interest of a nine- or ten-year-old. To better match varying abilities for children of different ages, each chapter ends with two pencil activities, one for younger children and one for older children.
