Stink And The Midnight Zombie Walk

Synopsis

"The farce is as broad as the Atlantic, with enough spookiness just below the surface to provide the all-important shivers." — Kirkus Reviews
Guts! Brains! Eyeballs! There's only one week before the new book in the Nightmare on Zombie Street series comes out. Of course Stink will be first in line at the Blue Frog Bookstore to buy his copy and join the town's Midnight Zombie Walk! Until then, Stink and his friends keep busy making ketchup-stained zombie costumes, trying to raise money to buy the book, and racking up points for Virginia Dare School's race to one million minutes of reading. But with all that talk about the undead, Zink - that is, Stink - starts to wonder: is he being hunted by zombies? He does have a very delicious - er, superb - brain, after all. Readers will just have to open the book and see! Mwa-ha-ha-ha!

Stink's school is working hard to reach one million reading minutes --- and what better way to contribute to that total than reading the latest Nightmare on Zombie Street book? Stink and Webster are thrilled about the upcoming book release party for Creature with the Cootie Brain. They love the series that makes them laugh and also shudder in fear. There is just one tiny problem --- you have

to be able to buy the book to attend the Midnight Zombie Walk at the bookstore, and the boys do not have \$12.99 each. Luckily, Stink has a plan. He and Webster will have a fantastic yard sale. They'll get plenty of money for their old toys, like the action figures they no longer enjoy. But Stink over-estimates their ability to discard their belongings. Each of them has only a few measly toys for the sale. That's when Stink comes up with a Plan B to earn money. His plan lives up to his name --- they concoct "smell cups," loaded with pleasant odors such as peppermint, cinnamon, gum, dirt, dish soap, and pinecones. Each customer is to pay 50 cents a sniff. The plan seems like a winner, but there are no customers. All passersby decline the offer, and one boy even says he can smell things at home without paying a penny. A discouraged Webster is ready to throw in the towel, but Stink comes up with another creative brainstorm. He decides to turn their little business into a "Smellatorium." After all, who could resist taking a whiff of Zombie Toe Jam or Zombie B.O.? Well, things don't go exactly as Stink predicts, but the boys do manage to rake in four dollars, a cough drop, and a purple paper clip. Back at school, the students are anticipating the costumes they will wear to the Midnight Zombie Walk. There is exciting news from Ms.
