The book had many errors. It had LeBron James at the top of every page along with grammatical errors.

I bought this book for my nephew; however I did not realize how thin this easy read was.

Great book and it shipped on time

It's hard to find books that my 10 year old enjoys, but he loves basketball. This book is really short but he enjoyed it.

Really chintzy for the money. Looks like something they would pass out for free. Contents and reading was good.

My nephew loved it!
