## Customer Reviews

Aveni's book is a fascinating portrait of the rhythms and roles of time keeping in a variety of cultures including the Aztec, Inca, Maya, and ancient Chinese. A fascinating exploration of a topic we all too often don't bother to consdier.

This book provides comprehensive and in-depth knowledge about the History of and present day time keeping. It is very knowledgable while being a breeze to read. We are well pleased

Very poor explained.

Great book.
