The Truth Seeker: O'Malley Series, Book 3

Synopsis

Women are turning up dead. And Lisa O'Malley digging into a crime means trouble is soon to follow. She's a forensic pathologist and mysteries are her domain. Audio book number three in the O'Malley series brings back Lisa O'Malley and U.S. Marshal Quinn Diamond from *The Guardian* in a tense investigative thriller. She's not a believer, and her journey toward faith is a fascinating look at how a forensic pathologist views the Resurrection. Quinn has found loving her is easier than keeping her safe. Lisa O'Malley's found the killer, and now she's missing too.

She did it again, another can't-put-down-until-you-finish-it book! Some recommended 'Danger in the Shadows' to me awhile back, and I read and loved it, also *The Negotiator*, although I have to admit that 'The Guardian' wasn't one of my favorites, although very good. But this book got me back in the series, I actually didn't rush out and buying it, not knowing how it would be, but when I did, it was read within 24 hours. This book is awesome, once again, Ms Henderson gets you off to a great start, and keep you interested and guessing all along the way. I love these books because they have some backbone, they're not like alot of the 'inspirational romance' books that don't even have all the facts straight. I love the mystery, but it's just enough to make you shiver (especially if you're reading it late at night!) but it's not bloody and gory. And I love the theme about Christianity that each book has. Combined with just even romance to keep it going, I love the way she describes the family, it makes you want to be part of it! My favorite parts in this book were - *the* phone call convo that Quinn overhears, and of course the Resurrection scene. I thought that was brought across

really good, it was easy to grasp. I can't wait to read Jack's story! If you haven't read 'The Truth-Seeker' BUY IT!!!! But, make sure you read Danger in The Shadows, and the other O'Malley books first! Trust me, you'll feel like part of this family when you get done!

I had been looking forward to this book's release for a few months now, and I was not disappointed. Dee Henderson is quickly becoming one of those authors whose books you just buy because you know that they will be good. In this book, she keeps up the pace of her first 2 O'Malley books--meaning once you start the first chapter, you will not want to put it down. We first got a glimpse of Lisa and Quinn in her last book, and watching their relationship unfold in this book is great. However, what I especially liked was all of the details we get about Lisa's job working for the state crime lab. If you are at all interested in Forensics, you will enjoy this read. Of course, I would be remiss not to mention the spiritual aspect of this novel (what truly sets Dee's writing apart from other books), as Lisa deals with the Resurrection. It definitely gives her character depth. If you have yet to pick up a Dee Henderson novel, you are missing out. I highly recommend the Truth Seeker, and I can't wait for the next installment.

WOW!!! Just when I thought it couldn't get any better. I love this family!!! Lisa and Quinn are very good together and the title of the book has a double meaning. Lisa is not only a truth seeker about people's death, but she's a truth seeker about the Resurrection. My favorite O'Malley is still Jack. I can't wait to read about him and Stephen. I could read about this family until the day that I can't see to read anymore. Miss Henderson, just don't kill off Jennifer. I don't think I could take it.

Dee Henderson, you've done it again! The third book of the O'Malley series, "The Truth Seeker" will just captivate you! And if you've read all three books and loved them as much as I do, I'm sure you feel a part of the O'Malley family now! The O'Malley family consists of seven brothers and sister, three boys and four girls. Since they were little they had been in the same orphanage and when they got out of the orphanage, they decided to 'adopt' each other, taking the name O'Malley as their family name. They all have very important jobs, Marcus is a U.S. Marshal, Kate a negotiator for hostage situations, botched-up robberies, etc., Jennifer is a doctor, Jack a fireman, Rachel a trauma psychologist, and Lisa is a forensic pathologist. This story is about Lisa O'Malley, 'the truth seeker'. U.S. Marshal Quinn Diamond has for twenty years been searching for the person who murdered his father. His only link is the disappearance of Amy Ireland, a neighbor of his ranch where Quinn's father was killed. And Quinn is still searching for her. Lisa O'Malley, forensic

pathologist has worked crime scenes in Chicago for many years. When she is asked by her boss to look over the files of unsolved cases, she of course accepts and digs into the sea of evidence and connections between victims that are faint but are now fading. Quinn and Lisa's cases seem to come together by some threads of evidence. As Quinn spends more time around Lisa, he finds himself falling in love with her and prays every day for her salvation. Lisa is also beginning to fall for Quinn but has seen too much pain and death to believe in God and the resurrection of Jesus Christ. And there is also the deep secret which Lisa has been hiding for years, even from her family. Quinn is determined to find out about it. Now there is a killer out to stop Quinn and Lisa from discovering which has been remained buried for years. He'll stop at nothing, escalating from notes... then to arson. But where will he stop at? Lisa and Quinn are afraid that he'll stop at nothing, even murder... The characters are so lovable! From the silent and strong Quinn with his steadfast faith in God, to Lisa who holds a heavy secret in her heart which keeps her from believing in the one person who can help her. Who can help from wanting to find out more about them, and hoping that they would fall in love? As with all of Dee Henderson books, "The Truth Seeker" is well written and can't be put down. Plus you get to find out a lot more about police investigations and forensic studies. Dee Henderson must have put a lot of work into all of the O'Malley books. The first in the O'Malley series is "The Negotiator" in which the main character is Lisa's sister, Kate O'Malley. The next book after that is "The Guardian", in which the main character is Marcus O'Malley, the oldest of the O'Malley's. Then comes "The Protector" whose main character is Jack O'Malley. I just can't wait to read it! I wonder who Dee Henderson would write about next? Rachel, Stephen, or Jennifer? Other books by Dee Henderson is "Danger in the Shadows" (written before "The Negotiator" whose main character is the sister of Kate O'Malley's boyfriend, Sara) and "True Devotion", the first in the Uncommon Heroes Series. The second book in the Uncommon Heroes Series is "True Valor", which will be coming out in March. Don't miss any of these books!
