Customer Reviews

On the DVD that I received with the book, there are many different dances. Each dance has a list of

things that the dancer(s) wants to show you. Except, there is no video for those listed under Waltz. That is, no demonstration comes up. Just music.

My dvd didn't work either, but I contacted Hatherleigh Press, the publisher, directly and they were happy to send me a replacement dvd. The new dvd works great and now I have learned the waltz just in time for my wedding

This is a good basic instruction book for the beginner with two left feet. The DVD was defective because it did not play the waltz instructions and I returned it once. When the replacement was also defective, I just kept it.
