Down At The Beach

Synopsis

Just like in the popular song "Wheels on the Bus," here in Hawaii the wheels on the bike go round and round down at the beach, whee kids can read and sing along to the flop, flop, flop of slippers on the sand and the splash, splash, splash of keiki in the water. Sure to become a favorite, Down at the Beach will have your youngest one singing and reading along.

Customer Reviews

I always call a children's book a great success when the little ones want to hear it again and again! This is an Hawaiian take on "wheels On The Bus" and the little ones in my family want to hear it again and again! Aloha!

The book is child size and sturdy. It's easy for my granddaughter to hold in her hands and read along with me. It's really written after a song so we can "sing" the book while she learns the words. She likes the pictures and the objects are easy to identify.

Gift for my 18 month old granddaughter. Mommy called to tell me granddaughter loves the book. Mommy had to read it over and over again right after the initial reading. Especially cute cause they live by the beach. Loves it to Wheels on the Bus music.

A new take on the "wheels on the bus!" For Island kids, or just kids that love to be active around water, this board book charms with gorgeous illustrations and vivid colors.
