P Is For Potty! (Sesame Street) (Lift-the-Flap)

Synopsis

Sesame Street's Elmo tells little girls and boys ages 1 to 3 all about how to use the potty in this sturdy lift-the-flap board book with more than 30 flaps. It's the perfect mix of fun and learning for potty-training toddlers--especially as they practice sitting on the potty!

Customer Reviews

My 19 month old daughter now recognizes Elmo and so I thought getting a potty themed book to introduce her to the idea of going to the potty would be great. However, I was disappointed when I got the book because even though it says it is targeted for ages 1-3, it is not well written for that age group. P is for Potty sounds like a board book that would be simple, direct, and to the point, so I was surprised when I opened it up and saw paragraphs. I wish I had seen some previews of the book to realize that it is not a good intro to potty training book for the younger set. My daughter likes looking at the pictures and lifting the flaps, but she cannot sit through reading each page (she becomes impatient to turn the page).The biggest issue I have with this book is that it is too long and there is so much dialogue, making it harder for a child my daughter's age to follow along (There is so much Elmo says "...." and Albie says "....." and Elmo's mommy says "...."). It may have worked better if the author simply told the story instead of all the "talking" by different characters. It also doesn't have the word repetition that you find in other toddler board books. I also felt there was something about the vocabulary used in the book that made it more complicated than other books targeted for the 1-3

year old range. In my opinion that storyline is too long and there is too much going on for a 1-3 year old to follow, especially if you want it to be an introduction to potty training (versus a storybook for a child who is at the tail end of potty training and has the occasional accident). Here is the storyline/plot: Elmo and his mom are babysitting Elmo's cousins, Albie and baby Jo Jo. The baby is fussing because he is wet and needs a diaper change.
