Spectrum Manuscript Handwriting, Grades K - 2

Synopsis

Give your child an advantage in communication by teaching them an important skill that gets left behind in today's busy classroom. Spectrum (R) Manuscript Handwriting for grades K-2 guides children through printing uppercase and lowercase letters in isolation, words, and sentences. Technology may be a key player in today's classrooms, but there's nothing wrong with keeping a few old-school techniques. Being able to write legibly helps children take notes, complete homework, and communicate in a style that never needs recharging.
