Charley Harper: 2 Poker-size Decks

Synopsis

These card patterns are adapted from *The Bug That Bugs Nobody* and *Ladybug Sampler* by Charley Harper (American, 1922-2007), who created delightfully clever illustrations of the natural world. Pomegranate playing cards are thoughtfully crafted and elegantly illustrated with card back designs adapted from some of our best-selling artists. Card faces are original Pomegranate designs.

Customer Reviews

There is nothing about these two decks that bears Charley Harper's artwork, with the exception of the back card designs featured in the photo listed above. None of the cards bear his art, and you are purchasing simply two decks of cards in a nice box.

Beautiful and sturdy!a delight to play with.
