## Customer Reviews

Hello, I am a huge fan and a loyal listener of the Barrie Konicov tapes and I am very pleased with this tape. I can remember the first time when I first encountered these tapes. It was back in 2002 when I was working in a local thrift store and when some stuff came through I happened to come across some self help tapes and I thought What that heck! So, I took these tapes home and when I first heard the words Hello, Greetings and Welcome I knew that I found the perfect relaxation tapes and the most relaxing voice that I ever heard. That was when I introduced myself to these tapes and became a loyal fan and listener. Thank you for making these tapes possible and I will continue to shop with this web store for a long time to come. God bless and keep up the great work.
