2017 Hummingbird Mom's Weekly Planner (18-Month Family Calendar)

Synopsis

This inspired desk calendar and planner makes managing your family's activities and appointments a snap! (Well, almost.) Popular 18-month planner (July 2016 -- December 2017) takes you from back-to-school through the end of next year. Each two-page spread displays your weekly master plan, with five columns: one for Mom, and one for each of four other family members. Tabbed months make the calendar easy to use. Includes two fill-in pages of contact and emergency information for babysitters. Includes address pages for your frequent contacts. Handy perforated tear-out To-Do lists. Includes a plastic page with pockets for business cards. Pocket inside the back cover holds notes, forms, etc. Elastic band attached to back cover keeps your place or keeps calendar closed. Calendar is sized right (7-3/4 inches wide by 9-1/4 inches high) for your desk, counter, or tote bag. Planner lies flat for ease of use. Concealed wire-o binding. Removable cover band. Airy cover design features a delicate pen-and-ink hummingbird hovering amid a tumble of purple blooms. Glossy accents add polish; raised embossing lends a dimensional effect. For every mom on the go! "This is the best appointment book I have ever had." --Peter Pauper Press customer

I love this planner I have ordered others in the past this is the first time that I have ordered this one. I love the cover it is beautiful. The planner itself is not compact so if you are looking for something to slip in your purse this is probably not for you. I love the room that I have in it to write down notes and all of the family activities. I also love the hard cover the softer covers are so easy to bend. There is space in this for everything. I have a family of six and this has been so helpful in keeping everyones

activities in once place. I love the strap around it that I can use to make it shut. I take it with me everywhere. Will defiantly be ordering this again next year.

I love this planner! I can make different columns for different family members and one for work. The cover is beautiful and I get many complements on it. It is well made and the binding has kept up. I actually had a 2015/16 one that I used until school started this year.

This is a wonderful planner! It has everything I need and I have been much more organized with it! It is thicker than I expected and it is hardback, but I love that! It means my kids can't destroy it as easily!

This is a very nice planner, but I wish that the tabs for the months were a little larger and coated to prevent them from rolling. I covered each tab with clear tape which helped, but they are still difficult to find and flip to because they are so small. That is my only feedback for improvement. Otherwise, it is a very nice planner with lots of room to write down all of the kiddo's activities/times.

It's wonderful!
