# Corporate Finance: A Focused Approach

## Synopsis

NOTE: This ISBN does not include Access code. It is Standalone book

Focus on the financial concepts, skills, and technological applications that are critical for you in today's workplace with Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 6E. With its relevant and engaging presentation and numerous examples, you will learn the latest financial developments as you also learn how to maximize a firm's value in today's changing business environment. You will master the features and functions of spreadsheets by using chapter Excel Tool Kits, Build a Model problems, and Mini Cases that encourage "what-if" analysis on a real-time basis. As part of its comprehensive product package, Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 6E includes MindTap Finance, CengageNOW, and the best-selling Aplia<sup>®</sup> Finance as optional learning solutions that complement the book's focused presentation of corporate finance fundamentals and help you to become "First in Finance".

## Customer Reviews

The description on seems to indicate that it comes with an access code for the Aplia....unfortunately it does not. You have spend an additional \$100+ for the code.

If you really want a book that doesn't explain the material well, and forces you to search other places for the material, waste your money on this.

Good new book.
