## **Customer Reviews**

The IRS collector said "I see you did your homework" and he filed the form to suspend collection activities. He asked me the name of the book I used (I didn't tell him I had read a book). I thought

that was odd so I said I couldn't remember.

My husband loves this book. It is a great resource for tax professionals as well as the average person.

A reference for Enrolled Agents, CPAs and tax attorneys. This the first book you need to read if you are a Circular 230 Practitioner.

Very informative and clear to understand. Nice to have this kind of knowledge to help me out with the IRS.

very practical advice
