Devil's Infirmary (Yaoi Manga)

Aco Oumi

Synopsis

Devil's Infirmary (Yaoi Manga) Asakura is a devilishly handsome school physician who's used to getting exactly what he wants out of the student body. But when a compromising situation with super-cute Higurashi suddenly raises his temperature, will he practice the perfect bedside manner and find himself falling head-over-heels?

Customer Reviews

I'm a bit surprised I enjoyed this book as much as I did. I didn't know anything about the book, or mangaka when I preordered it; so, I didn't know it is set in a school. I don't usually like school-based yaoi because it limits the characters so much: high schoolers (errr, college) with limited experience, surrounded by the same. However, this setting actually is believable as medical school/college, especially since the seme, Asakura, is the doctor in charge of the infirmary, and not the usual teacher or upperclassman. The story begins when Higurashi walks in on Asakura receiving some intimate attention from another student. Before he can rush out to gossip about it, Asakura reveals some embarrassing information he has on Higurashi - Mexican standoff! Asakura proceeds to pursue his reluctant uke, and the sparks fly from there. The couple is very likeable, and

the mangaka throws an obstacle in their way when Higurashi's friend asks him to pose as a boyfriend to avoid the unwanted attentions of an upperclassman. Also, I loved the character of Asakura's mother. She added a lot of humor, especially her interest in her son's love life because she reads gay romance! This is hard yaoi - the sex is explicit, and there is a scene of near-rape that could bother readers sensitive to that. Overall, an excellent title and I hope to read more from this mangaka.

I'm surprised I enjoyed this as much as I did! The cover seemed to indicate noncon situations to me, but thankfully that did not hold true. When I read the manga, it was way better than I thought. The story flowed well, and the couple really was cute together. The artwork is awesome overall and its Good Stuff.

I should be more offended by the doctor/student seduction but I'm not. Frankly, it puzzles me a bit. The story and characters are likable and the drawings are good. The art style is pleasant to look at and the cute/handsome guys are well drawn. The story is rather funny and sensei's mother is a nice addition. They truly are a family of perverts. There is a very good short story included. I actually enjoy this story more because the drawings are stronger and the plot is more intense. The final part connects the story to the main one in a funny way. I enjoyed the fantasy world and wish I can go there. While the main couple are a funny pair, this relationship between a king and a teacher is more passionate and bittersweet. It is the reason this is a five star book.

Cute and pretty standard for a yaoi manga. I also enjoyed the extra story Lover from a Secret Land. It is a fairly cookie cutter teacher/student yaoi but it's a classic for a reason & I enjoyed it a lot.

I enjoyed reading this manga. The characters are so cute especially how Higurashi tries to act all tough and not admitting that he is totally gay for Asakura, I know he is. Denial is so cute when it comes to love.

i loved it!!! the caracters are nice and the story is quite funnythe first story is typical with a doctor and his studentthe second one is a bit crazy with a secret land, an awesome prince and a japanese virgin ;-)

I simply love this author. The story was fantastic and something that should definitely be read. I

enjoyed this one so much.
