Customer Reviews

I looked at the sample of it and thought it was pretty good but short. At the looks of the customer reviews.... well... I am not so sure that I still want to buy it. (I ONLY ENTERED THIS RATING BECAUSE I HAD TO.)

Do. Not. Buy. This. Book. Whatever you do, DO NOT use money to view this book. I read the reviews and all of them (Except one) said the book was so AMAZINGLY short (Well, aren't all Minecraft comic books really short?) Anyway, if you're interested about reading this series, get it using the lending library, because it's SO not worth \$1 (That's what I did.).

there is not much to say about how bad this book really is! there is no originality and everything is so 'jumpy'. i am sorry to all of those fans out there but there is not much to say about it that is positive.

Blockboy, I loved to read your comics . I will always rate your books 5 stars because you always draw 5 stars books !!!!!!!!!!! I will always read your 5 STARS EBOOKS !!!!!!!!!!!

It was great! but the story should include more monsters and Matthew should have more food. Not JUST a diamond sword, an iron pickaxe, and some diamond armor. He'll starve!

all he did was go through mountains and stuff after getting sucked in the computer i mean stupid portal and after that he met a villager and he said something

This book is great, except a few things, there are not a lot of pages, and it would have been better if it was a cartoon, although still awesome.

" I think it's pretty cool but I think you should make it a little bit longer." My 9 year old son enjoyed this and wants to see more.
