a book for both toddlers and adults, the book shows colorful pics and printed names of the uniform, mascot, and stadium. There is a section on the rules and another section on plays. Key famous players are highlighted by pics and names. Worth it for the parent of a young Bills fan in the making.

Adorable book ! I gave I 4/5 stars because the baby on the cover is a bit strange looking. I thought maybe it was a spot to slip in a picture of your baby when I ordered. But it's not, though there is a spot for that inside. The whole thing is super cute though and baby bills fan must have!!!!

What more can you say. A great first football book and introduction to the Buffalo Bills.
