# Grammar, Grade 4 (Skill Builders)

## Synopsis

Skill Builders are great tools for keeping children current during the school year or preparing them for the next grade level. A variety of fun and challenging activities provides students with practice and helps introduce basic skills to new learners. This full-color workbook contains appropriate passages and exercises based on national standards for fourth grade to help ensure that children master grammar skills before progressing. Skill Builders combines entertaining and interactive activities with eye-catching graphics to make learning and reviewing fun and effective. The compact 6" x 9" size makes this book perfect for school, at home, or on the go. It features 80 perforated, reproducible pages and an answer key.

## Customer Reviews

Grammar is presented in a clear manner. Basic, important grammar concepts included, and in a reasonable order. This is not a book with isolated factoids, like most modern attempts at grammar. Great review for adults, too!

Fine little grammar book. Nothing spectacular, but it got the job done.

Great practice book. I will definitely order more from this series.

Satisfactory content.

To small, thought it would be letter size. Hard to make copies for students.
