Customer Reviews

Still some spelling errors but still action-packed! I love that Bones can pretend to be a zombie guard and take out the enemies, and I'm also glad that the annoying enderman warden was defeated.

Its good book,but it should be longer.It has great pictures to.I enjoyed it a lot.In the book flash gets truned into a zombie,so bones must find cure.

this is a really good book and I can't wait for the next one to come out because it totally cuts you off at the ending but all in all its five stars.

The book was pretty good but was also short. There were a couple spelling errors. But I'm sure you will be able to translate the words. Pretty good but short. ^,,

I love it I can't wait to see what happens next wanna enshrine tournament strengthens Heineken. Brennan replenishment. Enhancement. Heineken
