Trail Boss's Cowboy Cookbook

Synopsis

Trail Boss's Cowboy Cookbook includes 458 recipes from 24 states and 8 countries. Not just a meat-and-potatoes cookbook, this collection of authentic rangeland dishes and the historical notes behind them will surprise and satisfy everyone from seasoned gourmets to casual cooks. With recipes for foods in 31 categories, including hors d'oeuvres, sauces and condiments, casseroles, game, Mexican dishes, breads, cakes and pies, and, of course, meat and poultry, Trail Boss's Cowboy Cookbook brings the best of cowboy cooking to your own kitchen.

Product Dimensions: 8.8 x 6.6 x 1.2 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (14 customer reviews)

Best Sellers Rank: #530,093 in Books (See Top 100 in Books) #103 in [Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > West](#) #952 in [Books > Cookbooks, Food & Wine > Cooking Education & Reference > Reference](#) #132727 in [Books > Reference](#)

Customer Reviews

I once bought this book at a Ranch in the South Dakota Black Hills. It has since been misplaced, so I just ordered a replacement copy. The book was outstanding, as the recipe's were framed in vivid historical anecdotes about how they fit into everyday Cowboy life. As you prepare dishes, you can almost envision the Cowboys hungrily waiting! Most of the recipes are also delicious!

A wonderful set of recipies that show how they do, and did, cooking on the ranch and trail. Many of the recipies include background material about their origin. Especially interesting were the western and cowboy lore interspersed throughtout the book.

I got this little gem as a child... I think it was given to me by mistake (supposed to be someone elses) but I instantly wanted to cook from it! There are recipes ranging from your typical cowboy fare, like beans, chili, etc... and then they tell you ways to prepare things you might no imagine, like

opossum, skunk, coon, or how to cook a whole cow in a hole in the ground! A lot of fun if you're a cast-iron chef like me. Would be five stars if anyone ever had the genius notion to actually print this information in a real book.

If you love to camp or just plain cook outdoors this is a book that you must have. Has recipes that you would cook at home but shows how to cook it outdoors and have the same great taste without the oven or stove. I love it so much that I got a second copy and gave it to my Brother as a Christmas gift and he just loves it.

This book brings back the memories of beans and bacon around a campfire. And a lot more. Whether you really were once a cowboy, or just watched them on TV and imagined you were on a cattle drive rustling up to the chuck wagon, you will love these recipes....Happy Trails!!

Wonderful game recipes for hunters, and great all-round recipes for those who aren't. My first one was loaned out and never returned, so this is a replacement for me.

All these recipes are simple and delicious. Recipes are easy to find with an excellent index. The book material is also durable and made to survive the kitchen.

This is absolutely the best cowboy-type cookbook out there. I've had mine for several years and am still finding new and tasty dishes.
