Customer Reviews

I love this book, the recipes are amazing! The date cake is definately something to try. My family has liked all the recipes I've made so far, can't wait to try some others. Homemade genuine middle eastern cuisine:)

Being Middle Eastern, I really appreciate the chapter on spices and all the historic background given. . I will definitely purchase again as a gift. This book is recommended based on the fact that so many of the meals in it, there really is only one authentic way to prepare them. Once you have the foundations, tailor to your liking. Best Chaldean cook book I've seen so far!

I love the cookbook. I have a few middle eastern cookbooks and have found the recipes in this one the easiest to follow. Great pictures too!

Not only is this book hardcover and beautiful with great color photos of the dishes, the recipes were

fantastic and most definitely authentic. I purchased the book as a gift for a family member and several other family members have also requested the book. I've got a copy of it on the way for myself. Chaldean cookbooks are hard to find. This one is a gem! Buy it! :)

I love my Ma Baseema Cookbook! It's so helpful because now I have no excuse to not keep the Chaldean food alive in my household! I love our middle eastern dishes and now I have access to the BEST recipes in my own kitchen! Woot woot!

I have tried so many recipes in this book and they are all delicious! Recipes are very easy to follow also. I have purchased this for friends and family and they all love using it. A must for anyone wanting to learn how to make Middle Eastern Foods!

I recommend this book to every person who loves Chaldean cooking & especially young married couple who depend on mom's cooking. easy step by step recipes. just a great book to have.
