Customer Reviews

I love the prints, just wish it were available in a larger size. Works for a cubicle and I had hoped it would be good for a blank wall space by the stove in our kitchen. Looks lovely, just a bit difficult to read.

This calendar is absolutely gorgeous, I was so bummed when my local calendar shop ran out of this style. This calendar fits nicely on the wall adjacent to my chair in the office- not too big & ostentatious but no so small I can't see anything. Thanks for saving the day, BuyEnLarge, you'll definitely see me again :-)

Wonderful calendar, practical and decorative.
