## Customer Reviews

My husband and I both love this calendar. We buy it almost every year. Once in a while we change and we regret/miss it. The pictures are beautiful and I like the size of the squares/days for writing information/appointments on is great.

I get one of these every year for my husband. He's been known to call me at work on the first day of the month to tell me how much he loves the new picture when he turns to a new page. He loves this calendar!!!!!!!!!!!!

This is a GREAT calendar if you are a boating fan like my husband and I are. Just enough room to mark all daily appointments in the box for each day of the month. AND, looking at all the different boats is exciting. Have purchased one each year for the last 13+ years and keep them just to look at the boats and dream about owning one of them. Well continue getting one each year. Very colorful too.

The Cruising World calendar arrived on time and in great condition. I have enjoyed Cruising World for many years now. I always look for Cruising World when selecting a calendar.

We look forward to the Cruising World calendar each year and they never disappoint. This calendar will help you through the winter season. Think Spring!!
