The Basic Guide To Dyeing & Painting Fabric

Synopsis

Hand-dyed and painted fabrics are extremely popular, and now everyone can own a complete guide to creating these colorful, dynamic, breathtaking, and fashionable styles. This exciting new book contains 10 projects, suitable for any skill level, for dyeing and painting quilts, wearables, purses, pillows, and more! Each project includes step-by-step instructions to guide the reader. An introductory section covers the basics, such as supplies, how to prepare the fabric, paints and dyes, and painting techniques and styles. Also features a gallery of gorgeous quilts made from painted and dyed fabrics to inspire the reader.

Customer Reviews

A great book for beginners. It covers everything you will need to get started and finish your first project. It will take you step by step through many different types of painting and dyeing. This book is a keeper that you can refer to time and again. It is easy to understand and well illustrated. If you want one book to get you started, try this one. It is the only book you will need.

which products to use, how to use them and nice pictures of examples of desired effects. I found this book very helpful.

Great for beginners give the basic - I would recommend for anyone wanting to learn the basics of fabric dyeing

This is an excellent book with lots of illustrations. It is a must have reference book. I am new at dyeing so this has become my best book.

I dearly love this book. Great info and pix. Thanks again for the fabulous prices and quality of service from the sellers and too!!!

Gorgeous ideas. Perfect transaction - thanks!

I used some of the things

I have not seen the book yet, as it was delivered to a relative. I will not see it for another month. Therefore I can't really write a review, but I would think it will be fine.
