The Snake, The Crocodile And The Dog [Audio Cd] [Cd] [Audiobook]

Synopsis

Unabridged on thirteen compact discs. Although this seventh in the series picks up where *The Last Camel Died at Noon* (Warner, 1991) ends, it stands delightfully on its own. Amelia's self-assuredness, her devotion to her husband, and her honesty with her readers match well her inventive embrace of adventure. Danger, although constantly present, is balanced with intrigue, confidences, romance, and intellectual exercise as readers gallop headlong into the mysteries surrounding a venture on the Nile. Teens will enjoy fine writing, learn some Egyptian history and meet an indomitable heroine, all between these covers.
