Customer Reviews

I would recommend this book only for advanced players only, or at least intermediate. You need to be comfortable playing sharps, flats, and high notes. The songs are not easy to play, even if they look it. That said, you have many favorites--both old and new:Baby Mine (Dumbo)The Bare Necessities (Jungle Book)Bibbidi-bobbidi-boo (Cinderella)Colors of the Wind (Pocahontas)A Dream is a Wish Your Heart Makes (Cinderella)Part of Your World (Little Mermaid)Reflection (Mulan--my personal favorite)Someday (The Hunchback of Notre Dame)A Spoonful of Sugar (Mary Poppins)When She Loved Me (Toy Story 2)Whistle While You Work (Snow White)Written in the Stars (Aida--I don't remember this movie coming out)You'll be in My Heart (Tarzan)You've Got a Friend in Me (Toy Story)Zip-a-Dee-Doo-Dah (Song of the South--a movie no longer shown probably because it is considered racist, but the song isn't considered racist).

Rated 3 stars because songs do not have lyrics. Nice size font, clear.

My intermediate recorder students (3 girls) are loving this book!
