The Split History Of Westward Expansion In The United States: A Perspectives Flip Book (Perspectives Flip Books)

Synopsis

American Indians had lived in North America for thousands of years by the time European settlers arrived. The settlers came in search of land and were eager to build farms, roads, and towns. The Indians lived off the land and believed it belonged to everyone. When the U.S. government completed the Louisiana Purchase in 1803, the plan to expand the country to the Pacific Ocean set up a collision course between the two groups ways of life.

Book Information

Lexile Measure: 1030L (What's this?)

Series: Perspectives Flip Books

Paperback: 64 pages

Publisher: Compass Point Books (August 1, 2012)

Language: English

ISBN-10: 075654596X

Average Customer Review: 3.6 out of 5 stars Â Â See all reviews Â (5 customer reviews)

Best Sellers Rank: #201,829 in Books (See Top 100 in Books) #91 in Â Books > Children's Books > Education & Reference > History > Exploration & Discovery #125 in Â Books > Children's Books > Education & Reference > History > United States > 1800s

Age Range: 10 - 14 years

Grade Level: 5 - 6

Customer Reviews

I use this to support the topic of Turning Points with a fifth grade class. It wasn't easy to find something at this level that covered the Native American Indian side of this time period. Very eye opening for the students.

Seemed great until my 4th graders found the paragraph about the spread of Sexually Transmitted diseases.

Great book for teaching perspective. It gives a clear informational view of the westward expansion. The book came on time and well packaged.

It was OK. I feel like for a unit on Westward Expansion, there should be more content. Although I get it, I guess.

Great book to see both sides of the issues
