Crooked Kingdom: A Sequel To Six Of Crows

Synopsis

The highly anticipated sequel to the thrilling #1 New York Times-bestselling *Six of Crows*. Kaz Brekker and his crew have just pulled off a heist so daring even they didn't think they'd survive. But instead of divvying up a fat reward, they're right back to fighting for their lives. Double-crossed and badly weakened, the crew is low on resources, allies, and hope. As powerful forces from around the world descend on Ketterdam to root out the secrets of the dangerous drug known as *jurda parem*, old rivals and new enemies emerge to challenge Kaz's cunning and test the team's fragile loyalties. A war will be waged on the city's dark and twisting streets—a battle for revenge and redemption that will decide the fate of the Grisha world.
