Customer Reviews

Five year old boys, with careful hands love playing with the HO size Roman soldiers taking them in and out of the fort. Mom and Dad can put it together with some participation from their child. What a way to stimulate a lasting interest in history.

My son (12 yrs) and I worked on this for homeschooling and it was a neat project. Good detail and easy assembly. There is a lot of cutting but it's worth it.

a great school project, educational.

Did this as a homeSchool project. Very neat and well detailed.
