Customer Reviews

This book has many references which predict the second coming of Jesus. There are many cross references which substantiate those in biblical prophecy. There is such a wealth of knowledge here. The signs of the "Times" indicate that we are nearing the last days of this age. It is a fascinating revelation. believers can feel encouraged; non-believers should be fearful. God's word is always true-all of it. I eagerly anticipate His coming to bring judgment to the sinners and peace to his children. A must read!

Always a big fan of Mr. Pink. Never knew he was a premillennialist. I'm not confirmed in my end times beliefs. This book gives a lot of good arguments. It doesn't answer all the objections and there are a few places where I think it's stretching but was a very good read!

Of all the books I have read on this subject, this is the most complete and full compilation of scripture and undeniable truth I have ever read. He died the year I was born. Sixty years later there is more validity in his declarations than when he made them. The conditions he spoke about have intensified beyond anything Arthur Pink ever imagined. We are living in the last generation. We are heading full speed into the time of Jacob's troubles. If you believe in the Living Word. This is it!!!

Arthur Pink is a joy to read! Just about anything he wrote is spellbinding. His teaching ability is more than capable. A wonderful read.

What can I say It's Pink! I love all his books and how he explains Scripture! Excellent purchasing experience!

Very gracious and prophetic book.

The Lord is coming back
