The Complete Brick Bible For Kids: Six Classic Bible Stories

Synopsis

Journey through the Bible's most famous stories in this LEGO-tastic paperback edition of bestselling author Brendan Powell Smith's Brick Bible for Kids books. From Old Testament favorites to the stunning and prophesied birth of Jesus Christ, this is a must-have book for any young reader new to Bible stories or obsessed with LEGO bricks. Inside, kids will learn about six classic Bible stories, including: Noah and his ark full of animals David's fight against the giant, Goliath Daniel's survival in a den of ferocious lions Joseph's colorful coat and his interpretation of Pharaoh's dream Jonah's miraculous survival in the belly of a whale Jesus's birth in a small stable in Bethlehem Complete with a fun search-and-find activity at the end of each story for additional LEGO fun, this substantial paperback is the perfect holiday or anytime gift! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers; picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Looks like some people can't handle the facts. This book is stories from the Bible word for word. Some (not all!) of the religious people are not happy with the cold truth. Read it before you make judgement on the author. Didn't God say to love and accept all? Practice what you claim to preach.

Fantastically detailed and true to the stories JUST AS THEY ARE WRITTEN in the Bible. I always look forward to new work from Brendan!

I am a clergyperson in charge of the ministry working with people in the autism spectrum . The visual presentation of Bible stories using Legos is exactly right for our use in sensory friendly worship . I was so happy to find this resource , and think it's amazing and a real work of love .

It is definitely the kids version. I kinda wish that I had skipped this one and just got the full brick bible. Can't blame the author for it though. Well done.

Excellent book - fun and accurate with delightful illustrations that took thought and wit. Religious and nonreligious alike will appreciate the care that went into this book, and my kids absolutely love both reading and recreating the scenes.

Great for adults and children alike! We keep ours in the coffee table and it's always flipped through. Previous books by this author were mesmerizing to my son. Especially Revelations. So much fun there! These books are awesome gifts .

Overall I would give the book 4 stars for doing a nice job of putting SOME Bible stories in the Lego world, however I find the word 'complete' to be a bit misleading. It's important to read the entire description or at least the entire title of the book - in which is clearly spells out that there are only SIX stories in this book - that's far from a 'complete' Bible. Outside of that caveat, I think the book is quite good. My 7 year old son enjoys reading this with me and it's a nice introduction to some worthy Bible stories.

These books are a vital form of outreach which have been instrumental in facilitating mission in our church. Please ignore those who choose to pass judgement on the lifestyle of the author. Utterly irrelevant. Although the author is often quoted as being an atheist, his dedication in relaying Bible

stories still reaches many.
