Rapid German, Vols. 1 & 2

Synopsis

[Presented by Marlon Lodge and Renate Elbers-Lodge] Earworms MBT (Earworms Musical Brain Trainer) Rapid German is a revolutionary accelerated technique that takes the hard work out of learning a new language. By repeatedly listening to melodies specially composed with rhythmic repetitions of German and English, you will pick up essential words and phrases that will not only be on the tip of your tongue but burned deeply into your long-term memory in next to no time. With this collection of two volumes, you will feel you are learning within minutes and will be amazed by how easy acquiring a language can be.

Customer Reviews

The music's volume was too high compared to the narration. That made the music a distraction and unhelpful. It's not traditional German music either, it has some heavy metal, Spanish guitar, Scottish pipes, etc. Also, the PDF workbooks can't be used unless the PDF CD is in your PC, which doesn't help when you need the CD-ROM for the lesson disc. You could rip the lesson CD to your Media Player to free up your disc drive for the workbooks, but you shouldn't have to do that. I didn't. The entire first disc teaches superficial yet useful travel-related phrases, many of which didn't apply to me. "To the hotel please," or "I want a Pilz, wine, beer, etc. please." For those planning to move to Germany or those who want to attempt a substantial conversation in German, this CD won't prepare you for it.

I love this! Fast delivery. Great product.
